Larry Newell, Jr., Appellant Pro Se. Philip Carlton Hollowell, OFFICE OF THE ATTORNEY GENERAL OF VIRGINIA, Richmond, Virginia, for Appellees.

---

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Larry Newell, Jr., appeals the district court's orders denying relief in his 42 U.S.C. § 1983 (2000) action, pursuant to the jury's verdict. Newell has not provided a transcript, and he fails to establish a basis to have a transcript prepared at government expense. 28 U.S.C. § 753(f) (2000). We have reviewed the existing record and find no basis for appellate relief. Accordingly, we affirm the district court's orders. See Newell v. Angelone, No. CA-01-70241 (W.D. Va. filed Mar. 7, 2002 & entered Mar. 8, 2002; Feb. 20, 2003). We deny Newell's motion for appointment of counsel and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
